- Reflects shares issued in connection with the settlement of performance share units that were determined to vest based on the level of achievement of the specified performance targets.
- Restricted Stock Units were awarded under the Company's Long-Term Incentive Plan resulting from the holder's advance election to receive a portion of the holder's 2022 annual incentive compensation in restricted stock units in lieu of cash, and such units vested and were converted into common stock on the second anniversary of the date of grant.
